Learn to use Spice Money Bharat Bill Payment System (BBPS) to pay your customer's Electricity Bill via Spice Money Adhikari APP

Step: 1

Login to Spice Money Adhikari APP

Step: 2

On the Spice Money Adhikari APP, tap on "Electricity"

Step: 3

Enter the consumer number and tap on "Get Bill"

Step: 4

Available bill will be **auto fetched** and the bill amount which is generated has to be paid

Step: 5

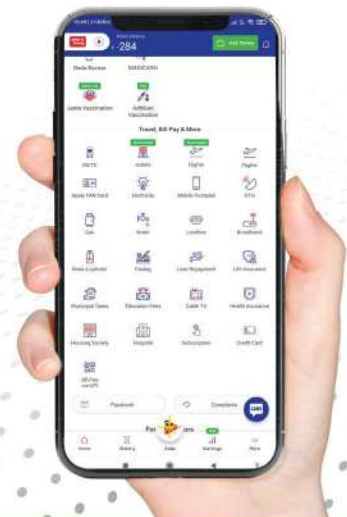

Select "**Payment Mode**" and tap on "**Confirm**"

Step: 6

The money will be deducted from your **wallet** and you can take the cash from your customer

Step: 7

Electricity Bill for the customer has been paid and the transaction is completed

Do's & Don'ts while using the BBPS service:

Do's:

- ✓ Before making the **BBPS** payment, double check the biller details thoroughly
- ✓ Always enter the **correct mobile number** of the customer in the system
- ✓ Always provide a system generated receipt to the customers for every **BBPS** transaction
- ✓ Please ensure that the amount in your **Spice Money Wallet** is more than the utility bill amount to be paid
- ✓ Download the **BBPS** schedule of charges from the Adhikari **B2B** portal and paste it and execute it at your **Spice Money Smart Banking Point**
- ✓ Download your **BBPS** certificate from Adhikari **B2B** Portal/**APP**, print your certificate and execute it at your **Spice Money Smart Banking Point**

Instructions to download your certificate-

BBPS Schedule of Charges - Login to **Adhikar APP**>Tap on **More**>Tap on **TDS letter & certificate**>Tap on **other certificate download**

BBPS Certificate - Login to **B2B** Portal>Click on **BC certificate**

- ✓ For the best service, always keep your **Spice Money APP** updated
- ✓ Contact **Spice Money** customer service team or **WhatsApp** support for any transaction-related queries
- ✓ Make sure to read the **bill details** before paying any bill
- ✓ If anyone tries to involve you in illegal or malicious conduct, please report it right away at reportfraud@spicemoney.com and include all the pertinent information

Don'ts:

- ✗ Never charge the customer anything extra for **BBPS** services
- ✗ Do not use the **mobile number** of any other person other than the customer
